Dear Professor Orosa,

AIUTA Governing Board discussed your application as an “affiliated member” during our last meeting, which was held in Byblos, Lebanon, on last 10th October 2019.

We are please to announce that CUAM/UH was accepted. It is important to remember that as an affiliated member you do not have a vote and cannot have a representative in our governing Board.

We wish you and your colleagues all the best and we hope that you shall become an active member of our organisation.

Congratulations!

Maria Chester
